Total	100%

### Grade determination system in cases of loss of continuous assessment right

	Grade percentage
Final exam	80%
Total	80%

### Grade determination system for the extraordinary assessment call

	Grade percentage
Retake exam	100%
Total	100%

### Grade determination system for students with disabilities

In principle, the grade determination system for students with disabilities will be carried out following the criteria set for the rest of the students, ensuring equal opportunities and conditions for all the students. However, if necessary, the instructor in charge will take into account the type of disability of the concerned

student. Should the situation apply, the assessment conditions will be adapted in accordance to the limitations of the corresponding disability.

These considerations will be established once the concerned student enrolls in the corresponding courses. For the official records, the student and/or the student representative will be requested to present the corresponding disability report for the official accreditation.

	Grade percentage
Continuous evaluation	20%
Mid-term exam	30%
Final exam	50%
Total	100%
